Wow, what a year! Thanks to Tom Lukenbill for your great drives with Gabby... particularly that one in Texas! Lou, you are amazing! Your skill and talent are exceptional. Many thanks! Eric, you are a wonderful addition to the team and I look forward to your help and guidance. Jan, there are not enough words for me to express my gratitude for your help, skill and most of all your friendship... you are the very best! Thanks to all my barn buddies for making this year so much fun!
